

Subject: Request for Extension on Assignment Submission – CSE0001 Digital Literacy

Dear Professor,

I hope this email finds you well. I am Ankit Sharma, a first-year B.Tech student (CSE AI & ML, Registration No. 25BAI11523) enrolled in your CSE0001 – Digital Literacy course.

I am writing to respectfully request a short extension of three days for the submission of the Digital Literacy Project, originally due on 31st of March, 2025. Over the past week, I have been experiencing extreme academic pressure, which has impacted my ability to complete the remaining tasks to the standard I wish to maintain.

I have already completed Tasks 1 through 3 and have made significant progress on the remaining tasks. I am confident that with a small extension, I will be able to submit a complete and well-presented portfolio.

I understand that extensions are not always possible and will fully accept your decision. If there are any conditions or partial submission requirements I should be aware of, please do let me know.

Thank you for your time and consideration.

Warm regards,

Ankit Sharma
